BOSTON CONSERVATORY OF MUSIC

The Boston Conservatory of Music is a member of
the National Association of Schools of Music.

HISTORY

THE BOSTON CONSERVATORY OF MUSIC was founded in 1867 by the eminent musician, Julius Eichberg, a graduate of the Conservatory of Brussels with first prizes in violin and composition. After a number of years at the Geneva Conservatory, he came to Boston in 1859 to become director of the Museum Concerts. Under his leadership, the Conservatory gained national standing. In 1893, Herman P. Chelius, well known pianist and organist, succeeded Mr. Eichberg as director. The Conservatory was first incorporated under the laws of Massachusetts in 1896, and there followed an unsettled period until 1920 when Agide Jacchia became director. Mr. Jacchia's wide experience proved of inestimable value in re-establishing the prestige of the school. He continued as director until his death in 1932, and was succeeded by Albert Alphin. Mr. Alphin, a former pupil and teacher at the Conservatory, reorganized the school as a non-profit-making institution.

LOCATION

The school acquired its first permanent building on the Fenway in 1936. Three more buildings were added for school and dormitory purposes between the years 1938 and 1942. In the spring of 1949, the construction of a new building provided additional classroom space as well as studios and facilities for the drama and dance departments. The Concert Room, the Recital Hall, each seating approximately 135, and the Auditorium which seats over 500, afford ample opportunity for recitals, concerts, operas, dance and dramatic programs. The Conservatory buildings, located on the Fenway, face one of Boston's most beautiful parks and, while sufficiently removed from the noise of the business district, are easily accessible by all means of transportation. Within easy walking distance are Symphony Hall, Jordan Hall and the Boston Museum of Fine Arts. Churches of all denominations and the Boston Public Library are also in the vicinity. In Boston, the student finds a wealth of cultural opportunities embodied in the Boston Symphony Orchestra, chamber music concerts, opera performances, recitals by distinguished visiting artists, many dance recitals and stage plays as well as innumerable opportunities in allied fields.

POLICIES

The faculty of the Boston Conservatory comprises more than fifty experienced musicians and teachers. Limited enrollment assures the student of small class groups and personal contact with instructors. Authority to grant the degree bachelor of music was obtained in 1938, and the degree bachelor of fine arts in 1951. Graduate programs leading to the degree of master of music and master of music education were approved by the Massachusetts Board of Collegiate Authority in 1957. The Conservatory is approved for the training of non-quota foreign students and for veterans.

GENERAL INFORMATION

PURPOSE

It is the purpose of the Boston Conservatory of Music to provide professional training in the three allied arts—music, drama and dance—reinforced by a sound general education that will make graduates more resourceful as teachers and performers and more responsible as citizens. The numerous former students now successfully employed as performers or teachers speak for the realization of this purpose. To its continued realization, the faculty and administration are whole-heartedly devoted.

UNDERGRADUATE ADMISSION

Application for admission must be made on official Conservatory forms and submitted well in advance of the intended entrance date. The applicant should also have a transcript of his high school record and three letters of recommendation sent to the Admissions Office, as well as the scores of at least one national college-entrance examination. These examinations are administered at the secondary school during the Senior Year, or by direct arrangement with:

The College Entrance Examination Board
Eastern Office: Box 592, Princeton, New Jersey
Western Office: Box 27896, Los Angeles 27, California

The American College Testing Program
P. O. Box 168
Iowa City, Iowa

For admission to a *Degree Program*, preparatory study should total a minimum of fifteen entrance units, distributed as follows:

| | |
|--------------------------------|---------|
| English (4 years' study) | 3 units |
| Foreign Language | 2 |
| Higher Mathematics | 1 |
| Social Sciences | 1 |
| Laboratory Science | 1 |
| *Fixed Electives | 4 |
| Free Electives | 3 |
| | <hr/> |

*These four units must be earned in Language, Mathematics, Social Science, or Fine Arts.

For admission to the *Certificate Program*, the academic requirements are not specific; however, a high school education or its equivalent is recommended.

Specific Musical Requirements. (See Applied Music Courses, page 33).
Specific Requirements in Drama and Dance. (See pp. 39 and 42.)

TRANSFER STUDENTS

Transfer students applying for advanced standing should include a transcript of work accomplished at their former school, together with its recent catalog. Transfer credit in Applied Music and Music Theory is determined by examination on entrance to the Conservatory. A minimum of 30 hours for the Bachelor's Degree, and 26 hours for the Master's, must be earned in residence.

SPECIAL STUDENTS

A student desiring instruction, but not intending to pursue a degree or certificate program, may begin at any time and elect any subject for which he is qualified. The Minimum term enrollment for such students is ten weekly private lessons or one semester of class instruction. A special student may transfer at any time to a Degree or Certificate Program, provided he meets the admission requirements.

EVENING INSTRUCTION

Private evening instruction in applied music and music theory is available under regular faculty members.

SUMMER SESSION

Credit toward both the Bachelor and Master's Degrees may be earned during the six-week Summer Session. By attending the Summer Session, regular course students may accelerate the completion of their requirements for graduation. For details, write for the Summer Session Bulletin.

EXAMINATIONS

PLACEMENT EXAMINATIONS. During registration week, placement examinations in English, Language and Music Theory are given, to assure the assignment of new students to appropriate class sections. Students with unusually advanced preparation are placed according to their level, but credit hours thus by-passed must be restored by elective courses.

SEMESTER EXAMINATIONS. All students following the degree or certificate programs are required to take an examination in each of their courses at the end of each semester.

APPLIED MUSIC EXAMINATIONS. All students seeking credit in applied music must perform before a faculty jury at the end of each semester. Students with an unsatisfactory attendance record will not be admitted to this audition, and will be graded 'incomplete', or 'failure'. Attendance and performance in the Recital Class bears on Applied Music grades.

GRADING SYSTEM. A, excellent; B, good; C, fair; D, passing; E, failure; X, incomplete; W, withdrew from course. A semester grade-point average of 3.5 renders a full time student eligible for inclusion on the Dean's List.

SCHOLARSHIPS

The following scholarships afford financial assistance for a limited number of students who show evidence of exceptional ability and are unable to pay the costs of tuition. Scholarships awarded to students are continued to the end of their courses, provided that they are availing themselves to the full measure of their advantage. The amount of each award is determined by the financial status of the student.

THE SEVCIK SCHOLARSHIP. A fund established for the aid of deserving violin students by the distinguished violin pedagogue, Professor Otakar Sevcik, during his visit to America (1931-32) as guest teacher.

CONSERVATORY SCHOLARSHIP FUND. A fund made possible by individual contributions and by proceeds from various benefit recitals and activities.

STUDENT GOVERNMENT SCHOLARSHIP. A fund established by the Student Government Organization of The Conservatory to aid deserving students.

AWARDS. The following medals are awarded annually to the two full-time students (15 or more hours) who have maintained the highest averages for the school-year: for highest honors, the ARTHUR B. WHITNEY MEDAL; for second highest honors, the ALUMNI ASSOCIATION MEDAL. To the student judged superior in character and leadership goes the KAPPA GAMMA PSI TROPHY.

CITATIONS. For students who have maintained honor grades throughout the four years of their degree course, the following graduation citations are made: for an average of A, Summa Cum Laude; B+, Magna Cum Laude; B, Cum Laude.

PUBLIC PERFORMANCES

Throughout the academic year, the Conservatory maintains a full schedule of public recitals, concerts, and ensemble programs. In addition, the Drama and Dance Departments present a variety of major productions and workshop performances. The *Fenway Series* presents faculty and guest artists throughout the year. Regular attendance at these concerts and participation by qualified students is considered a vital part of their education at the Conservatory.

LIBRARY

The Conservatory Library houses a select collection of books and references in Music, Drama, Dance and the Humanities, together with a representative collection of musical scores. The Recordings Section contains an extensive and growing selection of music in all media and forms, which may be heard on modern listening equipment. All full-time students of the Conservatory may obtain charging cards at the nearby Boston Public Library, home of one of the most comprehensive music sections in the world.

RESIDENCE

The Conservatory maintains women's residences near its classroom buildings, facing beautiful Fenway Park. Each of these houses is supervised by its own director, and is notable for its home-like atmosphere and friendly co-operation. All women students not living at home are required to live in the dormitories, or at other residences approved by the school. Meals are taken in the Conservatory dining room where three meals are served daily, Monday through Saturday. There are a number of attractive restaurants in the immediate vicinity of the dormitories where students may obtain meals on Sundays and Holidays at their leisure.

Room and board reservation should be made as soon as a student is notified of her eligibility for admission. This reservation is secured by an advance deposit of \$50, which is applicable to the student's account, and not refundable after August 15th or January 15th before the intended date of entrance. In all cases, this reservation is held as binding for the school year, and may not be broken except for an emergency which, in the judgment of the Administration, necessitates a student's withdrawal from school.

Men students will be given assistance in locating suitable rooms in approved private homes near the Conservatory.

THE GRADUATE SCHOOL

GRADUATE COMMITTEE

FRANCIS FINDLAY, Chairman

RICHARD B. BOBBITT

WESLEY COPPLESTONE

THE DEAN, Ex officio

THE BOSTON CONSERVATORY OF MUSIC offers courses leading to the Master of Music degree in the fields of Applied Music (instrumental and vocal), Composition and Music Education. The Graduate School Program is open to those who hold the Bachelor of Music degree or other equivalent baccalaureate degree with a major in music from a school of recognized standing. Records of undergraduate studies presented for entrance must represent work equivalent in quality and content to that prescribed for similar degrees at the Boston Conservatory.

REQUIREMENTS: The minimum requirement for the master's degree is the completion of thirty-two semester hours of a prescribed course, twenty-six hours of which must be earned in residence. A grade of B or better must be obtained in the major field and an average of B in the remaining subjects of the course. No applicant can be assured that he may fulfill the requirements in one academic year, as much depends upon the undergraduate preparation, deficiencies (if any) to be removed and the ability of the individual student. In some instances it may take a student up to two academic years to complete the work. All undergraduate prerequisite requirements in the major field must be made up without credit. A change of major will usually involve the makeup of prerequisites. All graduate programs, including elective subjects and changes of program, must be approved by the Graduate Committee.

Each candidate for the degree with a major in applied music will be required to give a full length public recital. The program for this recital must be performed before a faculty Jury for approval before the date of the public performance will be announced.

A candidate for the degree with a major in Composition or Music Education is required to prepare a thesis. The thesis for a composition major will be one of the following:

- (a) An original composition scored for full orchestra and requiring not less than fifteen minutes in performance (this composition may be for chorus, solo voice or an instrument with orchestral accompaniment.)
- (b) An original composition for chamber orchestra requiring not less than fifteen minutes in performance.
- (c) An original orchestral composition scored for full orchestra requiring not less than ten minutes in performance, and a shorter work for chorus or an instrumental combination requiring not less than five minutes in performance.

A bound score and complete set of parts of the composition(s) must be presented to the Conservatory Library at least two weeks before the date of graduation.

BOSTON CONSERVATORY OF MUSIC

The Music Education major must have the subject of his thesis approved by the Graduate Committee before the completion of ten semester hours of graduate study. Preparation of the thesis will be under the guidance of a faculty advisor. A complete typewritten copy of the thesis must be submitted for correction and approval at least six weeks prior to the date of intended graduation. After approval, two copies must be typed, bound and presented to the Conservatory Library.

Admission: An applicant to the Graduate School must comply with the following:

- (a) File an application, on a form provided by the Conservatory, with the Chairman of the Graduate Committee at least two months prior to the time of intended matriculation. The application must be accompanied by a fee of \$20.00.
- (b) Submit a transcript(s) of all work completed for the undergraduate degree.

During the first week of the scholastic year each applicant will be interviewed and given auditions by members of the Graduate Committee and may be required to take written examinations in certain subjects. Following the auditions and examinations, the applicant will be advised as to the evaluation of his undergraduate credits. Students who have deficiencies for admission will be given provisional graduate standing until such time as the undergraduate deficiencies have been removed. Such deficiencies must be removed at least one semester before completion of the graduate degree program.

All graduate students will be required to participate in either the chorus or orchestra rehearsals and performances.
